BUREAU OF INDIAN AFFAIRS
Washington, DC 20240

IN REPLY REFER TO:

MAR 02 2020

Dear Tribal Leader:

As follow-up to a February 18, 2020 letter from the Director, Bureau of Indian Affairs (BIA) Office of Justice Services (OJS), your Tribe is eligible for and will receive one-time (nonrecurring) funding that is available for distribution to eligible tribally operated Law Enforcement programs funded by the BIA OJS for this fiscal year. To be eligible to receive a one-time or base funding increase under BIA OJS, tribes must have submitted their monthly crime statistics and drug reports for all 12 months of the entire previous fiscal year, as required under 25 CFR Part 12.

This funding is being provided on a one-time (nonrecurring) basis to augment other law enforcement funds provided by BIA OJS to support the needs of your contracted or compacted law enforcement program. The following represents examples of costs this funding is intended to cover:

- Training and travel costs of personnel – though this funding is non-recurring
- Law enforcement vehicles and equipment (firearms, other tactical, computers, etc.)
- Necessary supplies such as fuel, ammunition, uniforms, and office supplies
- Costs associated with implementing crime strategies
- Law enforcement program funding shortfall resulting from authorized activities

We must emphasize these funds are one-time (nonrecurring) that must be utilized only for the intended purposes of carrying out law enforcement functions, and cannot be used for physical facility needs such as maintenance, repair, or construction.

Considering the vast law enforcement program needs present throughout Indian Country, a detailed analysis of the following data elements was conducted to help us identify the areas where the need is most urgent, and to enable us to allocate these additional funds accordingly. Our calculations to distribute the funding were based on the BIA OJS funding methodology utilizing the following weighted factors:

- FY 2019 Violent Crime Rate
- FY 2019 Drug-related offenses (monthly drug statistics reported by tribe)
- Current funding level versus estimated program need
- Size of trust land service area (land base)

The analysis included approximately 125 eligible tribal law enforcement programs. Based upon the funding methodology, a portion of this funding has been allocated to your law enforcement program for the purposes identified above.

Please contact this BIA OJS District 1 Office at (605) 226-7347 if you have any questions and we look forward to working with you to enhance public safety services to the tribes and to the citizens of Indian Country.

Sincerely,

William McClure
