Subject: Request for Resolutions

Dear Julie Peneaux:

I would like to request a copy of any Resolutions that pertain to the RST Information Technology Department, also known as RST IT Dept. We are not sure if there are any other Resolutions that support the RST Information Technology Department that we may have missed.

When I started my position as the Administrative Assistant back in April 2020, I could not find any records or files that support the RST IT Dept. for the duties that I have inherited.

I had reached out to your Department and was given **Resolution No. 2016-12**. This Resolution has given us a great deal of understanding of our IT department.

Is it possible to have a copy for the RST IT Dept., of the following;

- Indian Reorganization Act of 1934 and its supportive amendments.
- Ordinance No. 94-125 Procurement Policy and Procedures for program use.
- RST Ordinance No. 80-07 amended November 3, 2004

Our RST IT Department are trying to follow this Resolution No. 2016-12 to support our goal to better the IT Program with today's changing Technology. Your support in providing us a copy of the listed request for our RST IT Department would be greatly appreciated.

Thank you very much for your time and consideration.
