RE: 2020 Community Cleanup

The cost of 2020 cleanup increased by \$4,112.40 this year based on how many roll offs/mileage we went through in each Community last year (2020). Please see attached cost and schedule.

Per resolution the cost of cleanup this year is \$148,071.12. The three way split between the RST, SWA and TLE will be \$49,357.04 each. Cleanup is scheduled to begin the last week in April.

It is important that the moneys be sent to Solid Waste prior to cleanup. Without the moneys I will not start cleanup as scheduled.

Please see attached resolution.

If you have any questions, I will be available at 605-828-1275 at your earliest convenience. Thank you.
