Grant No. 90HI0007

Dear Head Start Grantee:

The Further Consolidated Appropriations Act, 2020, contains an increase of approximately \$550 million for programs under the Head Start Act for Fiscal Year (FY) 2020. The increase provides \$193 million for a cost-of-living adjustment (COLA) and \$250 million for Quality Improvement investments for Head Start. The COLA supports an increase of two percent for each grantee to increase staff salaries and fringe benefits, and offset higher operating costs. COLA funds are effective at the start of the FY 2020 budget period and are retroactive if this period has already begun. Quality Improvement funds are allocated proportionately based on federal funded enrollment, with additional consideration given to small grantees to allow for a meaningful investment, as permitted by the Act.

The following table reflects the COLA and Quality Improvement increases available for FY 2020.

| Funding Type | AIAN Early Head Start |
|----------------------------------|-----------------------|
| Cost-of-Living Adjustment (COLA) | \$34,457 |
| Quality Improvement (QI) | \$55,000 |
| Total Funding | \$89,457 |

The table provides projected amounts for each program, Head Start and/or Early Head Start. The Quality Improvement allocation above was calculated on Head Start and/or Early Head Start funded slots; however, grantees operating both programs have flexibility to use any amount of funding on either program, based on community needs, and not to exceed the total amount available. This flexibility does not extend to COLA allocations. Please note, allocations in the table are based on annual funding and enrollment levels by program as of February 2020, and may be subject to change if there are adjustments to these levels.

Submission Requirements

The supplemental application is due **May 15, 2020** and must be submitted in the [Head Start Enterprise System \(HSES\)](#). To apply, please select the **Financials** tab, **Grant Application** tab, **Fiscal Year 2020**, and add the **'Supplement – COLA and Quality Improvement'** amendment type. Content of 'Supplement – COLA and Quality Improvement' Application

Applications must include separate narratives and detailed budget justifications for each funding type, COLA and Quality Improvement, and by program, Head Start and/or Early Head Start. Each narrative must begin with a Table of Contents, use 12 point font, and not exceed 10 pages. All narratives, budget
